# H5P

- Endless possibilities
- Flexible and open
- Adopt, adapt, or create
- Integrated with Moodle and Wordpress

# Activity

1. Take 5 minutes to explore (links in chat)
2. Choose one content type
3. Why are you drawn to it? What do you like about it?

# How Do You Choose?

- Where do your students need learning support?
- What kind of support do they need?
- What are some ways to achieve this?
- What else are you doing?
- Entangled approach/assembly

# Brainstorming

How could you use the content type you selected to enhance your students' learning?

What could you **do** with it?

# Using the Technology

- Moodle
- Adopt (reuse someone else's H5P)
- Adapt (remix someone else's H5P)
- Create (make your own H5P)

# Activity
