Why Use a Screencast?

- Available anytime, anywhere
- Students can rewatch
- Use class time for collaborative learning
- Efficiency/scale
- Numerous uses for F2F or online courses

What's the Downside?

Evidence-Informed Creation

- Keep it short
- You don't need to be visible
- Use informal speech
- Images + narration
- Omit anything extraneous

Evidence Cont'd

- Emphasize key points
- Space and time
- Pretraining
- Captioning
- Decent-quality mic
